

GORILLA

Gorilla TV is Wales' largest Post-Production facility with offices in Cardiff Bay, Cardiff City Centre and Bristol. We are currently looking for several staff to join our expanding teams.

POST PRODUCTION SUPPORT ENGINEER

Gorilla Group is looking to recruit an experienced Post Production Support Engineer within its Technology services team. We're looking for someone with a broad understanding of Post Production, Avid Media Composer, Avid Nexis, Avid ProTools, Filmlight Baselight and other leading industry systems/software.

Key Responsibilities:

- The Post Production Support Engineer will be responsible for the smooth operation, expansion and evolving workflows of the post production facilities.
- Co-ordinating designated post production initiatives as well as carry planned engineering works and provide routine preventative maintenance, including software and hardware updates across the facility.
- Technical knowledge of IT/Networking

Please apply including CV and covering letter indicating level of experience and salary expectation range to jobs@gorillagroup.tv

Closing Date for applications is 04.02.22

Gorilla TV Ltd is an equal opportunities employer and embraces people with diverse perspectives and from diverse backgrounds. We are committed to reflecting and representing the diversity of the UK in all our activities.

Your Personal Data is very important to Gorilla TV Ltd and the information you supply will be collected and processed in accordance with the Data Protection Act 2018 and [Gorilla Privacy Notice](#). We will hold your CV for 6 months, unless you ask us to delete it earlier.
