

# GORILLA

Gorilla TV is Wales' largest Post-Production facility with offices in Cardiff Bay and Bristol. After opening our Bristol facility 12 months ago, we are moving forward with optimism and excitement as we enjoy the next phase of our growth and prepare to build on our successes so far. We are looking for like-minded talented people who want to be part of our journey. It's going to be a very big year for us and we want you to play a role.

## DUBBING MIXER

Gorilla is looking to recruit an experienced Dubbing Mixer with at least three years industry experience. While we are keen to encourage and accommodate industry starters, this role requires a track record of mixing and delivering broadcast television programmes using ProTools so would invite only those with relevant experience to apply.

### Requirements

- Minimum 3 years' professional experience in a post-production audio role
- You must be proficient in Pro Tools
- A solid technical understanding of audio formats required for international broadcast distribution
- Knowledge of iZotope RX is beneficial
- This is a fast-paced environment where you are often required to manage conflicting client demands and delivery on a tight turnaround with no margin for error

Please apply including CV and covering letter indicating level of experience and salary expectation range to [jobs@gorillagroup.tv](mailto:jobs@gorillagroup.tv)

Closing Date for applications is 17.02.2023

Location: Bristol
